Dinner at 6:00 pm

Distressed by religious wars, and carping and criticisms among those of different faiths? For a refreshing relief, plan to attend the Amazing Faiths Dinner Dialogue. The Interfaith Dinner Dialogues provide an opportunity for people to share experiences concerning religion with those of other faiths in the group. You will love the warmth and joy experienced by sharing among different faith traditions. Registration will begin at 5:45 in the Cathedral Undercroft. Dinner will be served at 6:00. A contribution of \$5 will be requested from those attending, except for students. To register, please call Alexis in the Cathedral office (236-4059). For handicapped access, please ask Alexis when you register. For additional information, please contact David Messner, dsmessner@verizon.net, or 717-770-0462.
